## **DEBRA'S BEST TRAVEL DESTINATIONS FOR 2013**

Where is the coolest and most affordable place to vacation? I have bit the bullet and worked hard to get the right answers for you. All of these destinations are full of new and unique attractions as well as “Full of Sun” for those “Sun Worshipers” like me. The one thing these destinations have in common is that they are completely accessible. The fact is that it is all about “choosing the right destination that meets YOUR needs!

So read up, pick a place and get to planning your getaway my Elevate Reader Friends.

**BEST ALL INCLUSIVE RESORT:**  
Marina Fiesta Resort & Spa  
in Cabo San Luca

This little piece of heaven is located on the Marina where you can find activities, night life and shopping right outside of your back door. The beach is only a 5 minute walk! The restaurants that are included are all located on the Marina with a variety of foods to choose from.

Cocktails are part of the package and include all of the usual including mixed drinks, beer and wine. You are never lacking for food or drink and the main pool has quick drink service for those who want to be waited on and a swim up bar for those who like to swim and drink.

The rooms are All-suite Mexican Colonial-style and capture a breezy tropical feel. Each suite is equipped with a full kitchen and my favorite part is the private balcony overlooking the Marina or pool.

You can get pampered at the luxury spa and afterwards utilize the fitness equipment and then relax in the Jacuzzi and steam room.

This resort has first class service. It is family owned and many of the family members work for Marina Fiesta Resort & Spa in different capacities. This resort is worth the money and is my pick for "A Steal of a Deal!"

### **BEST FUN VACATION:**

Paris Las Vegas Hotel in Las Vegas

Las Vegas has so much to offer and the Paris Hotel is in the center of it all! If you can't travel to Europe you can get the next best thing by traveling to Vegas and staying at the Paris Hotel! I truly love all things Vegas from the shopping to the shows and everything in between. The hotel is right in the heart of the strip and with this hotel you are transported to the City of Lights with all of the passion, excitement and ambiance of Europe's most romantic city.

The rooms are beautiful with a flair that works so well in Vegas. I did feel as if I were back in Paris when I stayed in Paris Hotel for the Miss America Pageant.

There are so many restaurants to choose from inside the hotel including Gordon Ramsey's and the Eiffel Tower Restaurant. The Jersey Boys show is also at the Paris and did I mention the Eiffel Tower Ride?

There are also many day trips you can take including the Grand Canyon, Lake Powell, Red Rock Canyon and Hoover Dam.
