

THE CROWN JEWELS OF TENNESSEE

Nestled in the Foothills of the Great Smokey Mountains, you will find Tennessee's crown jewels: Dollywood Cabins, Dollywood Theme Park, Dollywood's Splash Country and Dixie Stampede. Dolly Parton has used her stardom to influence and improve the lives of those in her community. Build and they will come certainly is the golden rule for all things Dolly because not only do they come but they return every year.

DOLLYWOOD CABINS

Dollywood Cabins are simply a Mountain Paradise. These luxury cabins offer spectacular amenities like decks with amazing views, Game Rooms, Indoor and Outdoor Jacuzzis with stereo and great customer service that is award winning. On my recent trip I stayed in The Love Shack Cabin and did not want my vacation to end. This vacation heaven allows you to get away from the hustle and

bustle of the city life and allows you to reconnect with yourself and others. You can rent a luxury Dollywood cabin for less than you would spend on a hotel room. I loved it and you will too.

DOLLYWOOD THEME PARK

Listed among the nation's most popular theme parks, Dollywood is full of exciting rides and attractions. The park offers more than 30 rides and attractions with shows featuring many stars in the making including a few of Dolly's own family members. The food is amazing and the staff is friendly and helpful. No wonder it is one of the nation's most popular theme parks! You may even run into Dolly as there have been Dolly sightings quite often at Dollywood!

DOLLYWOOD'S SPLASH COUNTRY

This 30-acre water park is state of the art and fun for all. The star of the show is The River Rush. The \$16 million hydro magnetic coaster adds water to the climbs, drops, twists and turns. Splash Country is full of family activities and once you visit, you will never want to leave.

DIXIE STAMPEDE

The most fun place to eat in the Smokies! The awe-inspiring show features an adrenaline-filled competition between the two sides of the theatre. The explosive musical numbers are spectacular and the collection of 32 horses and extraordinary production make this a dinner show not to be missed. The meal is served by Civil War Soldiers who are both friendly and entertaining. From stamped-

ing buffalo to dazzling displays of horsemanship, Dixie Stampede was the highlight of my vacation.

Dollywood Vacations offer complete vacation packages with many perks for the entire family. The packages includes a cabin or hotel room, tickets to all of Dolly's Crown Jewels (Dollywood, Dolly-

wood's Splash Country and Dixie Stampede) and the experience of a lifetime. Dollywood.com
