

Debra's Holiday Gift Guide

Chestnuts roasting on an open fire, The smell of my Jo Malone Blue Spruce Candle and Marc Jacob's Makeup Academy Blockbuster Set are all things that make me love the most magical time of year. No need to look for that perfect red lipstick this holiday season as Tom Ford Beauty offers the perfect color (Rouge Fatal) as well as the perfect nail lacquer (Trophy Wife). As always, my wish is that these items bring you love, joy and happiness this holiday.

**Wishing you warm Holiday Wishes.
